THE BLUE FAMILY.—The Blue family were among the earliest settlers in Hampshire County, if not the very earliest. There were three brothers, John, Uriah, and Michael, the two latter making their homes near Shepherdstown, while John settled about five miles north of Romney, and was the founder of the Blue family in Hampshire County. They came from New Jersey to Virginia early in the seventeenth century. They came to New Jersey from Holland in the early years of the colonization of the United States. They were, therefore, among the pioneers upon the Western continent; and in all the generations since then they have been influential and useful citizens. The family, so far as their history can be traced in Holland, were in affluent circumstances.

The date at which John Blue came to Hampshire County is fixed partly by tradition and partly by family record. His son John (grandfather of the present John Blue) was twelve years old when he came with his father to Hampshire. He died in 1791, aged seventy-eight years. That would prove that he came to Hampshire in 1725. If such was the case, he was about eight or ten years earlier than the usually accepted earliest settlement of the South Branch Valley. This John Blue, who died in 1791, left his property by will to his wife and his thirteen children. The names of these children were as follows: Uriah, Abraham, John, Jacob, David, Michael, Garrett, William, Jesse, Benjamin, Elizabeth, Hannah, and Margaret.

Dear Mr. Arnold:

I saw your query in the Gen. Helper re Arnold—

My ancestor Thomas Eavenson (1653-1726) by his 1st wife Hannah Woodward had a son Ralph Eavenson (1682-1744) who married GRACE ARNOLD, presumably in Chester Co., PA— Thomas Eavenson by 2nd wife Elizabeth Woodward had a daughter Hannah Eavenson, born 1691, who married "10 mo. 30, 1714" to Thomas Arnold, and another daughter Sarah Eavenson, born 1696, who married 1st to John Buffington and 2nd to Anthony Arnold all marriages Chester Co., PA. as far as I kno

I do not know children of the above Arnold marriages except as follows:

Ralph Eavenson & Grace Arnold had Jacob, Joseph, Hannah & Phebe—

Hannah Eavenson & Thomas Arnold [redacted] son of Richard & Sarah Chamberlain Arnold of Burlington, & moved to Bradford ca 1720.

Sarah Eavenson Buffington & Anthony Arnold, son of Richard & Sarah Chamberlain Arnold were married 1737— Anthony Arnold died 1746 East Bradford— One daughter Hannah Arnold who married Col. Isaac Taylor—

I would like to know descendants of these Arnolds, since I try to identify all descendants of Eavensons—

Sincerely, Chandler Eavenson

Thomas Eavenson (1653-1726) who was son of Ralph & Ann Eavenson of CICELEY ORTON, d. 1677, of BURLAND, ACTON PARISH, CHESHIRE, ENGLAND— Thomas came to America 1687— LIVED THORNBURY, CHESTER CO., PA.

Elizabeth and Francis Hickman lived in Lambourn Woodlands, Berkshire, England, between 1668 and 1679 and were Quakers. Records of them are in the Berks and Oxon Quarterly meeting. Information on Chamberlain might also be in those records.

The above information is taken from "Descendants of Francis Hickman", a manuscript in the collections of the Chester County, Pennsylvania, Historical Society.

Dear Mr. Arnold:

Thank you for your letter to the President.

The President and Mrs. Bush would be delighted to see one of Millie's puppies go to a good home like yours, so it is with regret that I must tell you that they have all been spoken for. Millie will be flattered that you were interested in one of her pups.

With best wishes,

Reviews

GERMAN QUERIES, is a publication series designed to help all persons with German ancestors. Pages are 8 1/2 by 11. The issue we saw had 23 pages of queries, a full name index, some useful German vocabulary, several pages of book reviews and a sample German alphabet. All German related queries may be submitted free to this publication - each query should be 50 words or less, printed or typed, NO abbrevations. Each issue is $5 plus $1.25 postage and handling from Bette Butcher Topp, W. 1304 Cliffwood Court, Spokane, WA 99218-2917

QUERIES

12-1 Need parents of John ARNOLD, b. 21 Jun 1813, probably in Beaver Co., PA, m. Nancy Ann GALBREATH on 16 Jun 1836 in Defiance Co., OH.
Lois M. Postel, 14861 Valley Vista Blvd., Sherman Oaks, CA 91403

12-2 Need information on Richard ARNOLD families. Time period: 1680's Burlington, N.J. - 1700's Chester Co., PA - 1750's Hampshire Co., VA. This line is of English origin. Related names: PARKE, CHAMBERLIN, EAVENSON, TAYLOR, BOOKER, GRIPPEN, HART, PRITCHARD, GROVE, WALL.
William H. Arnold, 3255 Geneva Ave., Daly City, CA 94014

12-3 I am seeking information to confirm or establish identity of Comfort ARNOLD who married Mary BROWN in Smithfield, R.I. The vital record of R.I. (by James N. ARNOLD) states they were married 22 Dec. 1786, however it is my belief that the date is an error. It should be 1766 or perhaps 68.

The Comfort ARNOLD who is my ancestor removed to Adams, Berkshire Co., MA probably before 1770. There is a land transaction involving Comfort ARNOLD in 1772 in Adams -- others during the 80's, before and after 1786, and later. One is cosigned by his wife Mary (her mark) ARNOLD. (1818 when sold all land in Adams Twp.)

Comfort had two sons and three daughters (family tradition). His youngest son was Joseph ARNOLD who died in Sennet, Cayuga Co., NY in 1745, age 75. We believe he was b. in Adams, MA circa 1770 (I have not found a birth record either in Adams or R.I.)

Comfort removed to Flemming, Cayuga Co., NY probably around 1819. He died in 1825, leaving a will which names a wife Judith, sons Comfort (and wife Chloe) and Joseph, his 3 daughters, (Mary COMSTOCK, Belinda ARNOLD and Amarilla HASKINS) and a granddaughter, (daughter of Comfort, Jr.), named Mary Brown ARNOLD. (His wife, Mary, must have died and he remarried Judith.)

The marriage record states that Comfort is the son of John, dec., and Mary is the daughter of William BROWN, dec. They were married by Welcome ARNOLD, Justice.

The Mary BROWN who married Comfort ARNOLD was the daughter of Wiliam BROWN and Patience ARNOLD. According to the will of William BROWN (who died in Smithfield, R.I. in 1756) Mary was one of 11 children born between 1729 and about 1750. I estimate Mary's birth at about 1747. (If she married Comfort in 1786 she would have been almost 40 - unusual for a first marriage.) Mary's brother, Eleazer Brown, is said to have moved to Adams, Berkshire Co., MA in about 1768 and all but two of his siblings and families went with him or followed. Mary who married Comfort ARNOLD was one who went. [Note: The Patience ARNOLD who married William BROWN, was daughter of [illegible] ARNOLD. She was b. around 1710

I found Comfort listed in the family of John[3] (Eleazer[2], Thomas[1] ARNOLD) (Genealogies of R.I. Families - from R.I. periodicals). There are no dates included for that family. Eleazer was b. 1651, married 1671 to Eleanor SMITH. They had 10 children including John. He could have been born as late as 1690. The Genealogical Dictionare of R.I., by John O. Austin lists the five children of John ARNOLD and second wife SArah as: Enoch, Mary, Zebedee, Christopher and Comfort. I believe Comfort ARNOLD was probably born around 1740. In that case, if Comfort is the son of this John, John would have been around 50 at the time of his birth.

12-4 Can anyone tell me more about the family of John[3] (Eleazer[2], Thomas[1]) ARNOLD?
Elizabeth Majors, 2512 S. 14th Ave., Broadview, IL 60153

12-5 Can anyone tell me the dates that Welcome ARNOLD was a Justice in Smithfield, R.I.? He ws the son of Jonathan and Abigail (SMITH) ARNOLD; b. 1745; married Patience GREENE 1773 in Warwick. They had a daughter Mary b. 1774 in Providence. Besides the Smithfield marriage of Comfort ARNOLD and mary BROWN in "1786" there is another ARNOLD marriage performed by Welcome ARNOLD in 1772 in Smithfield (before his own marriage). If her performed the marriage of Comfort and Mary in 1766 (not 86) as I believe, he would only have been 21 years old. Is this likely?? If I can find further evidence that Welcome ARNOLD was a Justice in Smithfield between 1776-1772, that will prove my belief that the 1786 date is an error.

12-6 Wanted - Any information on William ARNOLD Sr., b. about 1700, probably in VA, living 1740 in Goochland Co., VA., d. 1774 in Cumberland Co., VA, where his will is recorded (will book 2, page 157-158). He married Elizabeth ( ) about 1725, who was living in 1774. Their children: William Jr. (1730-1801), Thomas Sr. (1730-1796), Henry (1731-1815), John Sr. (1739-1815) and Moses Sr. (1740-1811).

Family Record of William ARNOLD and Melissa B. NICHOLS

Ted O. Brooke, 79 Wagonwheel Ct. NE, Marietta, GA 30067, obtained the following item at an antique auction in Adairsville, GA, 3 Sep 1977. He would like to give it to a descendant of this couple for $3 postage.

Engraved page, 20" by 24", titled at bottom: "Entered according to Act of Congress in the year 1866 by Rollin H. Trumbull in the Clerk's Office of the District Court of the United States for the Northern District of Ill.^{8}" This is a very ornate engraving, including angels, cherubs, wreaths, scrollwork and spaces available for filling in names and ates of family members; engraved in lower right-hand corner: "Designed and wholly executed with a pen by R.H. Trumbull."

The information on this chart has very obviously been entered on three occasions by three different series of handwritings as follows: The oldest dates from 1821-1863; the seond dates from 1878-1928; the third dates from 1930-1938.

William Arnold was born 14 Apr 1821, died 29 Nov 1891, married 1 Jul 1849 to Melissa B. Nichols who was born 1 Nov 1835, died 27 Jun 1919.

ARNOLD, Aaron, merchant, b. in the Isle of Wight in 1794; d. in New York city, 18 March, 1876. He was the son of a farmer, but early showed a fondness for mercantile pursuits, and in 1823 emigrated to Philadelphia, where he lived for three years, studying carefully the comparative business advantages of the different cities of the country. He finally selected New York as the most desirable place, and with his nephew, George A. Hearn, established there, in 1827, a wholesale and retail dry-goods store, under the firm name of Arnold & Hearn. In 1842 Mr. Hearn was succeeded by Mr. Arnold's son-in-law, James M. Constable, and the name of the firm was changed to Aaron Arnold & Co. In 1853 Mr. Arnold's son Richard and J. P. Baker were admitted to the firm, which then became known by its present title, Arnold, Constable & Co. In 1869 Mr. Arnold left the active management of the business, and for some time before his death was confined to his house. His success is ascribed, by those who knew him well, to his sterling honesty, his sagacity, and his steadfast adherence to his friends.

copied at Federal Branch of National Archives, Chicago, IL, Dec. 1988 by Elizabeth J. Majors, 2512 S. 14th Ave., Broadview, IL 60153, who copied the basic information from first sheet on all records. She notes "Those preceeded by W are widows pension apploications and usually contain considerable family data. Those beginning with S ae pension applications and are usually quite brief with service informaion but not much on family. Many who served are not in this file at all because they apparently never filed for pension or bounty land. The first state listed is usually the one on the recrod, probably the state of application, but I may have switched them around when I found birth to be in another state. (If only one state is listed, it is the state of application.)"

Dear Bill,

Thank you very much for answering my letter and the information you sent. I am enclosing a few papers you may be interested in.

My ancestor, Jonathan, son of George & Elizabeth (Arnold) Nixon, was in Fayette Co. Pa. also. He paid taxes there in 1785. By 1786 he was in Marion Co., now W.VA. There is a copy of the "History of Fayette Co. Pa" in the public library here. I looked at it this morning & found the enclosed on Jonathan Arnold.

I also found in Hampshire Co. Tax list, 1805, John Arnold, Tithables 2, Horses 1, Other 0, Taxes pd. $.12. Don't know if this is your John Arnold or not but will pass it on.

I also question the marriage to Christina Davis in 1749. She could not be the Mother of my Elizabeth & your John. Possibly a second marriage?? This is listed on the IGI, and when I get to Salt Lake in June will check & see who turned this in. IGI shows temple work was done in 1973 in Oklahoma. And possibly the name was handed to the person as they went through the door & no relationship. The Richard Arnold/Sarah Chamberlain temple work was 1963 in Salt Lake and there is a family group sheet in the Archives which I have sent for. (I am not LDS, but certainly have to admire them for their genealogy, among other things.)

I have the 1758 Richard Arnold will & also the land grant papers. I will send for the 1720 Chester Co., Pa will. Could you please send me copies of marriage record at Burlington NJ to Sarah Chamberlin; NJ records of Richard Arnold serving in the NJ Assembly 1685; and article mentioning Friends meeting at Richard Arnold house, or where I could send for them?? [redacted]. Sure would appreciate it.

I have projected George Nixon was born about 1720/25. I now believe he was born in New Jersey; possibly he and Elizabeth were married before they came to Va. Their first child was born in 1747.

I understand Grace Kelso Garner has died. I tried to buy one of her books but had to settle for a xerox copy. I also believe in researching brothers & sisters. My Nixon ancestor, grandson of George & Elizabeth immigrated to Perry Co., Ohio in 1826. All of my ancestors for the past 4 generations were born in Ohio; the fifth died there. I was born in Ohio also.

We retired two years ago - spent 35 years in Wyoming and moved here on retirement. Sure enjoy being retired. We will spend a week in Salt Lake researching in the library in June before we continue on to Wyoming to visit our children. We stay in the RV park 13 blocks west of Temple Square.

Thanks again for the reply & the material .....

Sincerely,

Jo Ann

A map indicating the extent and boundaries of land the Privy Council of King George II ruled in 1745 was included in the 1649 royal land-grant Charles II gave to seven supporters including Thomas First Lord Culpeper and Edward Culpeper. The ruling, which followed a 15-year dispute regarding boundaries contested by the Crown Colony of Virginia, made Thomas the Sixth Lord Fairfax the owner of 8,253 square miles of Virginia instead of 3,225 square miles.

county, Ind., February 22, 1835, and is a son of Daniel and Malinda (Bolton) Melton, the former a native of Harrison county, and the latter of Kentucky. The elder Melton entered the army in the late war, died, and was buried at Harper's Ferry. The subject of this sketch was reared on a farm and educated in the common schools. After the age of 17 he went to New Albany, and learned the cabinet-maker's trade, which he followed for a number of years. In September, 1858, he entered the ministry, in the United Brethren denomination, for which he labored until in 1870, when he joined the Methodist Church. He was married, in 1855, to Miss Anna Busby, a daughter of John and Catherine Busby. They have twelve children, all of whom are living. He owns 240 acres of excellent land, highly improved and in a fine state of cultivation. His farm is well stocked, and he devotes some attention to raising blooded cattle. His specialty, however, is fruit growing, to which he gives most of his time. He has a fine fruit orchard of 3,500 trees of the best varieties.

WILLIAM J. MILES, SR., was born in Harrison county, June 24, 1817, and is a son of Joseph Miles, who came from Kentucky, but was originally from Maryland. He was raised on a farm and grew up with few educational advantages. When seventeen years old he engaged to work in blacksmith shop of Edward Marsh, who still lives in New Albany.

At the age of twenty he married Miss Malinda Arnold, a daughter of George Arnold, Esq., one of the pioneers of Harrison county, who came from Virginia and settled here about 1806. He was born in 1796, served a number of years as justice of the peace and was one of the first civil officers of the county. His father, Richard Arnold, was also one of the earliest settlers, and worked on the first mill built in Harrison county,—the mill built at the Harrison Spring.

W. J. Miles, Sr., and Mrs. Miles have eight children, as follows: Nancy E., married to William Barks; Anna, George E., Lou Dorcas, Adaline, William J. Miles, Jr. Rebecca J. and Bell. Mr. Miles owns 160 acres of land, well cultivated and well improved. He has always carried on blacksmithing, and is the inventor of the plow known as the "Captain Plow," used extensively in Harrison, Floyd, Crawford and other counties.

His son William manufactures edge-tools in Newton, Kan., known as the "Damascus process temper."

JOHN W. MORGAN was born in DuBois county, Indiana, October 12, 1844, and is the son of William and Margaret (Robertson) Morgan; the former was also born in DuBois county, June 2, 1822, and the latter a native of Kentucky, and a daughter of Addison and Eliza Robertson.

William Morgan served in the late war, enlisted in the Forty-ninth Regiment of Indiana Infantry, and was discharged in September, 1865, his term of service having expired. He died in 1887, at the age of sixty-five years.

John W., the subject of this sketch, was the oldest of eight children. He was raised on the farm and received his education in the common schools of the neighborhood. At the commencement of the war he enlisted in Co. D, Capt. Daily, Fifty-third Indiana

Dear Cousin!

Thank you very much for your information.

1.- Was the (marr of Richard Arnold to Rebecca HAWKINS 28 Sept 1790 Nelson Co Ky) your information (or) did you get it in from my info?

Do you Know anything about her?

2.- Please send me the wills & land grants etc concerning John, Richard & Richard the 1st to America.

Also Family Group Records Hannah PARKE & Sarah CHAMBERLIN/CHAMBERLAIN if you have them.

Obs very interesting to note that in Marlborough, Wilts, Eng at the time of Sarah Ann's christening there were children to a Thorne CHAMBERLAIN. Is that where Thornburg Tuft got it's name?

Just read a paperback called the "Oklahomians" about Enid Okla & the land runs. Quite an adventure! And legacy!

This sounds like my Richard Arnold 1765 but we want to be sure. What sent him WEST before the rest?

As you can see, I'm a female b. 1931. My father was a career Army man. I served in the WACs during the Korean Conflict but in Germany, Headquarters European Command as a cryptographer. (I was 10 years old at Pearl Harbor!

Please keep me informed of any new developements & I will do the same. Thank you again.

Dear Sir:

I have written to you twice before at other addresses, but the letters have been returned to me marked "No forwarding address". A friend has given me the address on this letter, which was taken from the September 1976 Genealogical Helper. I hope that I have better luck this time.

In the Arnold Family Association of the South publication for Fall and Winter 1972 you had an inquiry about Nimrod Arnold, the son of Richard Arnold who died in Hampshire County, Virginia, in 1758.

Nimrod Arnold died in Hampshire County before March 1773, and his Nephew Joseph (the grandson Joseph mentioned in Richard's will) inherited his land. Joseph was the son of Josiah, a brother of Nimrod. Nimrod had no sons. At least, there were none living at the time of his death, and it seems probable that he never had any.

I am interested in this family because I think I may be descended from Joseph. He disappears from Hampshire County between 1773 and 1774. My great-great-great-grandfather was named Joseph, and I have traced him to the District of West Augusta in 1777. He had a brother who said he was born in Virginia. Joseph, the son of Richard, was born before 1753, which would make him about the right age to be my Joseph. It all ties together well, but I need some further proof that my Joseph and Joseph, the son of Richard, are the same person.

In your 1972 inquiry you said that Richard (d 1758 Hampshire Co.) was the son of Richard (d 1720 Chester Co. Pa.). What proof of that do you have other than the repetition of names in the family? I think you are correct, but I have not found direct proof of the relationship.

I would appreciate any information about this family that you can provide. Obviously, I am most interested in Josiah, the brother of Nimrod, and in his son Joseph. If you are still interested in Nimrod, I can provide the proof of my statements about him in the third paragraph of this letter. (Incidentally, Josiah died in 1763).

Sincerely yours,

P. M. Arnold

left Rockingham in company with Charles Monger and William Monger, two of his sons; and Martin Tofflemier and Eve, his wife; and Leonard Crotzer and Mary, his wife; Eve and Mary being two of Henry's daughters, and went to Kentucky. About ten months after, they were all taken by the Indians at Riddle's Station and carried prisoners to Detroit. Shortly after this, Henry died intestate. Answer denies that Henry was never heard of after his capture, because David had received two letters from him since his capture. Henry died about 14 years ago at Detroit, or near there. Henry married about five or six years before he went to Kentucky; he was a blacksmith; had lost use of one hand. Answer speaks of Henry being on his death bed in presence of his wife. Cross bill says Michael Deck is a quack lawyer and common barretor.

Nixon vs. Nixon—O. S. 13; N. S. 5—Bill filed in Hampshire 14th March, 1794, by George Nixon, son of William Nixon, deceased, against George Nixon, son of George Nixon, deceased. Summons dated 12th December, 1793, to summon George Nixon, infant, by Francis White, his guardian. Many years ago, previous to marriage of orator's deceased father, with Hanna, mother of orator, George Nixon, father to William and grandfather to orator. George gave land to William on the Great Capecapon. Orator's grandmother died and then George (grandfather) made an unfortunate marriage by which he had several children, among them, defendant George, to whom he devised the land. Copy of will of George Nixon, of Hampshire County: Wife Rachel, son George, son Joseph, son William, grandsons George and Levi Nixon, granddaughter Rhoda Thomas, son Jonathan, daughter Elizabeth Webb, granddaughter Molly Nixon, daughter of Jonathan, (William, George and Joseph are infants), daughter Hannah, daughter Nancy; dated 15th February, 1793; proved 10th April, 1793. George gave the land to son William in 1768. Rees Pritchard says he was born in 1744. William Nixon (father of complainant) married Benjamin McDonald; Hannah Nixon was Hannah Park; Elizabeth Webb was daughter of George Nixon (grandfather) and wife of Benjamin); John Arnold was related to George, Sr., by marriage, *i. e.*, George Nixon's first wife was Arnold's sister; Arnold is 62 years 6th of last September, 1797.

Ross vs. Smith—O. S. 14; N. S. 5—Bill filed 9th July, 1798. David Ross complains that in 1753, 24th October, under Order of Council granting lands to the Loyal Company, a survey was made of 190 acres for Timothy, Col——, in Washington County, formerly Augusta, in Rich Valley on waters of the North Fork of Holstein River. The Company gave titles upon payment of surveyors' fees and £3 for every 100 acres. Dr. Thomas Walker, now deceased, had the management of the affairs of the Company, as well as being a member, and he appointed William English his agent. Cole abandoned his land, and then in September, 1768, Joseph Scott and Stephen Trigg paid the fees on the same tract and received a receipt therefor on 16th January, 1773. Scott transferred his right to Stephen. Ross purchased from Stephen, 18th August, 1775. George Smith was then in possession. The affairs of the Loyal Company were brought before the Supreme Court, and on 3d May, 1783, the title of the Company to all lands surveyed by them prior to 1776 was established. Answer says (Fisher? Jasper?) Cox first improved the land. The name is probably Jester Cocke.

The depositions taken and returned in this cause are as follows- the depositio of George Beall of lawful age taken- that about twenty or twenty five years ago Mr. George Nixon called on me to make some shingles in order to finish the house that John Gard was living in, as his son William then lived in the cabin at the time and that the said George told me that he had give or intended to give the same land to his son William and wished that as he was married that i would finish the house as they might live comfortable in it the house i did finish and said William and wife did live in same house until his death as far as i know. the deponant being asked by Elias Posten Esqr. Was Michael Capper at that time a man of good character-answer he only just knew him and therefore does not know what his character was. on being asked if he ever heard anything bad of said Capper, at that time-answer-no at the time the shingles were made- being asked if he knew anything bad of said Capper at this time-answer-no George Beall

Rees Pritchard deposeth and sayeth that being called upon by George Nixon dec'd in order to bound certain tract of land for his son William alying and situate on the westside of Capcapon, being the same said William lived upon which survey was executed some time after the marriage of his said son William and in running the meanders of said capcapon creek, the said William remonstrated to his father George Nixon dec'd for some benefit or privaledge of the water of the said creek, to be included within the said limits. by extending one of the lines on a certain sandy beach in the said creek, nearly opposite to the door of said Williams house. which the deponant did by the consent of said George Nixon dec'd was to make a sufficient right to his son William, and on that day frequently boasted that it was not every father could(next three or words not readable)

Tract of land,and further ayeth not. Question by Mr. Francis White guardian, how long or in what year did you make the survey above mentioned-Answer* I believe in the year 68, Question by same who were the chain carriers at the time of the surveys- answer- the deponant cannot recall. question by same. if you did not understand that the survey was made to ascertain the quantity of acres that Mr. Nixon might know what he had to pay for it, as he was to pay so much per acre-answer- i was called upon to survey it for William Nixon. But being on the land for that purpose, it seems to me that there was mention made of George Nixons paying to one Arnold so much by the acre-though he said nothing to me on that,nor was it for that purpose. BIOGRAPHICAL.

B. G. Allender, bookkeeper for Star Furnace Company, Jackson, Ohio, was born in Washington County, Pa., Nov. 18, 1832, the sixth of ten children of William and Sidney (Wilson) Allender. He is of German descent. His father was a native of Pennsylvania and settled in Vinton County, Ohio, in 1859, where he died in 1870, his wife dying in October of the same year. Our subject's early education was received in the common schools, and in 1855 he graduated from Duff's Commercial College, of Pittsburg, Pa. In 1859 he came to Vinton County and clerked till 1864 when he went out as assistant sutler in the army under R. E. Phillips. He returned home in 1865, and in 1866 was engaged by the Zaleski Furnace Company as bookkeeper, remaining with them till 1870. Jan. 1, 1871, he commenced keeping books for A. B. and A. R. Clark & Co., wholesale grocers, Cincinnati, Ohio. He was with them till 1881, the last three years as traveling salesman. In May, 1881, he accepted his present position and moved to Jackson. In 1865 he purchased land in Elk Township and now owns 160 acres in this county, forty of it lying in Eagle Township. Mr. Allender married Sarah, daughter of David Cooper, of Vinton County. They have one child—Mary E.

Archibald Arnold, retired merchant, McArthur, is a son of Levi Arnold, who was born in Hampshire County, Va., and died at the age of forty-nine years. His wife, Mary Elizabeth Booker, native of Maryland, died in McArthur, Ohio, in 1858, aged about eighty-two. Of their nine children our subject is the eighth, and was born in Hampshire County, Va., in 1814. He in 1833 came to Ohio, and located in Wesley Township, Washington County, where he worked at his trade, that of a blacksmith, and in October, 1839, located in McArthur, where he continued his trade. This he followed until the fall of 1858, at which time he opened the first hardware store of the town, but, January, 1863, he was succeeded by George Lantz and Francis Shades. He bought a farm in Southern Indiana which he carried on until October, 1879, when he returned to McArthur and lived a retired life. He has been a member of the Methodist Episcopal church since 1840. He was always willing to assist in furthering the interest of the church, and has served as Class-Leader, Steward, Trustee and Superintendent of Sabbath-school a number of years. Mr. Arnold was married in 1834 to Tabitha Emily, daughter of Captain Thomas Fry. She died in

1840 leaving three children, two still living. Mr. Arnold's second wife was Salome Brandenberry, whose maiden name was Aultman; she died in 1845. His third wife was Effie Taylor, whose maiden name was Aultman, a sister to his second wife. Her father, William Aultman, was one of the first settlers of Columbus, Ohio. She died in 1877 leaving three children, two living. His present wife is Elizabeth Throckmorton, who was born and reared in Scioto County, Ohio.

LINNIE A. ARNOLD. Though she has not yet attained to the age of thirty years, Miss Arnold has been for seven years an able and popular representative of the pedagogic profession in the fine little City of McArthur, the judicial center of Vinton County, and her entire period of service in this exacting and important vocation covers an interval of ten years. Her success has been on a parity with her earnest devotion and unequivocal personal popularity and she is known as a young woman of high intellectual attainments, gracious presence and marked ability as a teacher and executive, her deep interest in the profession of her choice being significantly manifested in the enthusiasm which she brings to bear in its work. Miss Arnold became a teacher in the McArthur High School in 1908 and since 1911 she has held the position of principal of the same, her administration in this capacity having been marked by high scholastic ideals and progressive policies, so that the results have inured to raising the work of the high school to specially high standard, further interest attaching to her service here by reason of the fact that in 1902 she herself was graduated in the McArthur High School. Her gentle and winning personality and unfailing kindliness and consideration retain to her the affectionate regard of those who receive instruction under her direction, and it may with all of consistency be said that her circle of friends is limited only by that of her acquaintances. She is a representative of a sterling family whose name has been worthily linked with civic and material interests in this section of Ohio for many years, and while her kinsfolk in both the paternal and maternal lines have not in the present or earlier generations been persons of wealth or special prominence, they have stood exponent of staunch and loyal citizenship, of the highest principle, of abiding Christian faith and of usefulness and independence in connection with the practical affairs of life, so that the ancestral record, exemplifying the best of American ideals, is one in which she may properly take pride and satisfaction.

After her graduation in the high school Miss Arnold entered Ohio Wesleyan University in the City of Delaware, and in this admirable institution she was graduated as a member of the class of 1906 and with the degree of Bachelor of Arts. In the summer of 1912 she completed an effective post-graduate course in the University of Minnesota, at Minneapolis, and she is indefatigable in constantly broadening her intellectual horizon through well ordered study and reading. After teaching two years in the public schools of Nelsonville, Athens County, Miss Arnold became a teacher in the high school at McArthur, and three years later she was advanced to her present position, that of principal of the school, in which office she has made an admirable record that gives her prestige as one of the prominent and influential representatives of her profession in this section of her native state.

Miss Arnold was born in Clinton County, Ohio, but was only three years of age when her parents established their home at McArthur, where she was reared to maturity and where she continued her studies in the public schools until she had completed the curriculum of the high school of which she is now the efficient and popular principal. She is a daughter of William H. and Emma (Kennard) Arnold, both of whom were born, reared and educated in Vinton County, where they have continued their

residence save for a period of three years in Clinton County. Mr. Arnold was born in the year 1862 and is a scion of one of the well known and highly esteemed families of Vinton County, as is also his wife, their marriage having been solemnized in 1885. In his youth Mr. Arnold learned the blacksmith's trade, to which he has continued to devote his attention to the present time,—a sturdy, upright, generous and industrious citizen who commands the confidence and good will of all who know him. He has been engaged in the blacksmith business at McArthur consecutively save for the interval of three years in Clinton County, where he was similarly engaged. He learned his trade under the effective direction of his father, James H. Arnold, who was born in Virginia and who was a boy at the time of his parents' removal from the historic Old Dominion to Ohio. His father, Archibald Arnold, was one of the pioneer settlers of Vinton County, where he continued to reside until his death, and it is believed that the Arnold family was founded in Virginia in the early colonial era of our national history. Archibald Arnold was twice married before leaving Virginia, and his second wife accompanied him and the children on the immigration to Ohio. He was a skilled machinist and soon after establishing his residence in Vinton County he opened a village blacksmith shop in the little Hamlet of McArthur, this pioneer smithy having been situated on what is now High Street and in close proximity to the present Presbyterian Church. Like his son and grandson who continued to uphold the social and material honors of the name in the study vocation of blacksmith, he was a man of strong and resolute character and steadfast integrity of purpose, so that he accounted well for himself as one of the world's noble army of workers and merited and received the confidence and good will of his fellow men. He was one of the well known and highly honored citizens of Vinton County and continued his residence at McArthur until his death, in July, 1906, at the patriarchal age of ninety-three years. His second wife died within a few years after the family home was established in Vinton County, and thereafter he was twice married, his last wife having been Elizabeth Throemorton and she having been eighty-nine years of age at the time of her death, in 1902, both having been earnest members of the Methodist Episcopal Church and his allegiance having been given to the whig party until the organization of the republican party, when he cast in his lot with the latter, of whose cause he continued a staunch supporter during the residue of his long and useful life.

James H. Arnold, grandfather of Miss Arnold of this review, learned the blacksmith trade under the direction of his father, whom he succeeded in the ownership of the shop established by the former at McArthur,

James H. continued as the skilled, successful blacksmith of Vinton County's judicial center for many years, was known for his great heart and strong and worthy manhood, and continued his activities at his trade until he retired in favor of his son, two years prior to his death, which occurred in February, 1910, his birth year having been 1834 and he having survived his venerable father by about four years. His son William was associated with him in the blacksmith business from youth and succeeded to the full control of the pioneer business in 1908.

William H. Arnold is thus the third of the name and of the third generation of the family to exemplify at McArthur the brawn and skill demanded in connection with the blacksmith trade, and he has in every sense upheld the prestige of the honored name which he bears. His mother, whose maiden name was Tryphenia Westcoat, was born in Elk Township, Vinton County, Ohio, about the year 1837, and she still maintains her home at McArthur, well preserved in physical and mental powers, and a loved pioneer woman of the county. She is a devout member of the Methodist Episcopal Church, which her husband attended and liberally supported, and the latter was a stalwart republican in his political proclivities. Of their children eight are still living and all are married and well established in life.

William Henry Arnold, father of the subject of this review, was a young man at the time of his marriage, in 1885, to Miss Emma Kennard, who was born at Locust Grove, Vinton County, on the 4th of October, 1862, a daughter of William J. and Martha (Culbertson) Kennard, both of whom were born and reared in Ohio, their marriage having been solemnized in Licking County. Mr. and Mrs. Kennard maintain their residence in McArthur and are well known and highly esteemed citizens who are now venerable in years, Mr. Kennard having long been a successful contractor and builder by vocation. He is a staunch republican in politics and has served in various local offices of public trust. Both he and his wife are zealous and influential members of the Methodist Episcopal Church at McArthur, and he has been one of its officers for many years, being at the present time a member of its board of trustees. William H. and Emma (Kennard) Arnold hold membership in the Methodist Church in their home city, as does also their daughter Linnie A., of this review, who is the elder of their two children. The younger of the children is James Frederick, who was born in the year 1890 and who now maintains his residence in the City of St. Paul, Minnesota. He was graduated from McArthur High School in 1908 and attended the Ohio Northern University, at Ada. He married Miss Charlotte Pond, of Clinton County, Ohio. Miss Linnie A. Arnold is not only a successful teacher along academic lines but also serves as a teacher in the Sunday school of the Methodist Episcopal Church of McArthur.

(At the present time Miss Arnold is in a rest home in Hocking County.) (Hope this information will help in your searching. This is all that I can find at the moment but if any more information is found it will be sent to you.

ead of Dates

word "eve" in conjunction with the name of a date means the day before. If the word "morrow" is found, it means the day after. If the term "octaves" is mentioned, that means seven days after a specific saint's day, including the saint's day as part of the eight days. If the time is 14 days, then you may find the term "quindene" or "quinsane" used.

Should you have difficulty in finding a name and day combination, ask a local Catholic priest, or consult an encyclopedia in your local library. Better yet, check all days of the year against a calendar listing all the saints' days, German or otherwise, and keep a copy on hand for the future.

Another designation with which one may have a little trouble is that of "so many years of King George's reign." This is often found in American court records of pre-Revolutionary War days

Town of Booher

Q. In searching my "Bugher" ancestors, I discovered that Granddad had changed the spelling to Booher. Later in life, he changed it back to the original spelling of Bugher. There is a town, "Booher", Pa., named after the clan, according to records. Where is Booher? If I could find it, I would know where to search for this ancestral line. My ancestor was b. Pa., m. Sarah Huddleston in Clermont County, Ohio, 1822. She was b. Bucks County, Pa. D.S., Marion, Ind.

A. "gh" in German is often anglicized to "ch". Bucher is a village of 25 population near Madera in Clearfield County, Pa. —rtm

Mr. and Mrs. Harden have had eight children born into their home in Vinton County. Erma A., born February 13, 1887, received her education in the country schools and is now the wife of Walter E. Freeman, a farmer at Hallsville in Fairfield County, Ohio; their children are named Ruth, Charles and Arthur D. Edith E., the second daughter, born March 24, 1889, also received a common school education, and is now the wife of George E. Dunkle, and they live on a farm in Jackson Township; their children are Harry K., Mary A. and Estella M. Charles E., the oldest son, born December 3, 1890, after attending the district schools was a student during 1910-11 at the Rio Grande College in Ohio, went from there to Fremont, Nebraska, where he graduated from the commercial department of the normal school, then entered a national bank at South Omaha for nine months and spent two years in the State Bank of Glenwood, Iowa, as assistant cashier, and is now cashier of the South Fork State Bank of Chambers, Nebraska; he is still unmarried. Bundy A., who was born September 1, 1892, has been a teacher, was a student in the Ohio University at Athens, and is now a member of the Freshman class in the Ohio State University in the agricultural department, preparing for a career as a technical farmer; he married Hazel Ankrom of Jackson Township, who was also a teacher and studied in the Ohio University at Athens, and they have a son named Arthur D. Elsie M., who was born March 31, 1895, received her education in the public schools, is the wife of Arthur J. Worthman, and they live in Hocking County. Carrie B., born August 14, 1898, has now completed the course in the local schools of Jackson Township. Milford H., was born October 1, 1902, and is still in school, as is also the youngest, Justice P., who was born November 2, 1905.

The members of the Harden family are Protestant Methodists in church affairs. Mr. Harden in addition to his strenuous work as a farmer and stock raiser and the responsibilities of a large family, has also participated actively in local politics and affairs, and gave nine years of his time and ability to the office of township trustee and for many years served on the local school board.

LINNIE A. ARNOLD. Though she has not yet attained to the age of thirty years, Miss Arnold has been for seven years an able and popular representative of the pedagogic profession in the fine little City of McArthur, the judicial center of Vinton County, and her entire period of service in this exacting and important vocation covers an interval of ten years. Her success has been on a parity with her earnest devotion and unequivocal personal popularity and she is known as a young woman of high intellectual attainments, gracious presence and marked ability as

a teacher and executive, her deep interest in the profession of her choice being significantly manifested in the enthusiasm which she brings to bear in its work. Miss Arnold became a teacher in the McArthur High School in 1908 and since 1911 she has held the position of principal of the same, her administration in this capacity having been marked by high scholastic ideals and progressive policies, so that the results have inured to raising the work of the high school to specially high standard, further interest attaching to her service here by reason of the fact that in 1902 she herself was graduated in the McArthur High School. Her gentle and winning personality and unfailing kindliness and consideration retain to her the affectionate regard of those who receive instruction under her direction, and it may with all of consistency be said that her circle of friends is limited only by that of her acquaintances. She is a representative of a sterling family whose name has been worthily linked with civic and material interests in this section of Ohio for many years, and while her kinsfolk in both the paternal and maternal lines have not in the present or earlier generations been persons of wealth or special prominence, they have stood exponent of staunch and loyal citizenship, of the highest principle, of abiding Christian faith and of usefulness and independence in connection with the practical affairs of life, so that the ancestral record, exemplifying the best of American ideals, is one in which she may properly take pride and satisfaction.

After her graduation in the high school Miss Arnold entered Ohio Wesleyan University in the City of Delaware, and in this admirable institution she was graduated as a member of the class of 1906 and with the degree of Bachelor of Arts. In the summer of 1912 she completed an effective post-graduate course in the Universty of Minnesota, at Minneapolis, and she is indefatigable in constantly broadening her intellectual horizon through well ordered study and reading. After teaching two years in the public schools of Nelsonville, Athens County, Miss Arnold became a teacher in the high school at McArthur, and three years later she was advanced to her present position, that of principal of the school, in which office she has made an admirable record that gives her prestige as one of the prominent and influential representatives of her profession in this section of her native state.

Miss Arnold was born in Clinton County, Ohio, but was only three years of age when her parents established their home at McArthur, where she was reared to maturity and where she continued her studies in the public schools until she had completed the curriculum of the high school of which she is now the efficient and popular principal. She is a daughter of William H. and Emma (Kennard) Arnold, both of whom were born, reared and educated in Vinton County, where they have continued their

residence save for a period of three years in Clinton County. Mr. Arnold was born in the year 1862 and is a scion of one of the well known and highly esteemed families of Vinton County, as is also his wife, their marriage having been solemnized in 1885. In his youth Mr. Arnold learned the blacksmith's trade, to which he has continued to devote his attention to the present time,—a sturdy, upright, generous and industrious citizen who commands the confidence and good will of all who know him. He has been engaged in the blacksmith business at McArthur consecutively save for the interval of three years in Clinton County, where he was similarly engaged. He learned his trade under the effective direction of his father, James H. Arnold, who was born in Virginia and who was a boy at the time of his parents' removal from the historic Old Dominion to Ohio. His father, Archibald Arnold, was one of the pioneer settlers of Vinton County, where he continued to reside until his death, and it is believed that the Arnold family was founded in Virginia in the early colonial era of our national history. Archibald Arnold was twice married before leaving Virginia, and his second wife accompanied him and the children on the immigration to Ohio. He was a skilled machinist and soon after establishing his residence in Vinton County he opened a village blacksmith shop in the little Hamlet of McArthur, this pioneer smithy having been situated on what is now High Street and in close proximity to the present Presbyterian Church. Like his son and grandson who continued to uphold the social and material honors of the name in the study vocation of blacksmith, he was a man of strong and resolute character and steadfast integrity of purpose, so that he accounted well for himself as one of the world's noble army of workers and merited and received the confidence and good will of his fellow men. He was one of the well known and highly honored citizens of Vinton County and continued his residence at McArthur until his death, in July, 1906, at the patriarchal age of ninety-three years. His second wife died within a few years after the family home was established in Vinton County, and thereafter he was twice married, his last wife having been Elizabeth Throemorton and she having been eighty-nine years of age at the time of her death, in 1902, both having been earnest members of the Methodist Episcopal Church and his allegiance having been given to the whig party until the organization of the republican party, when he cast in his lot with the latter, of whose cause he continued a staunch supporter during the residue of his long and useful life.

James H. Arnold, grandfather of Miss Arnold of this review, learned the blacksmith trade under the direction of his father, whom he succeeded in the ownership of the shop established by the former at McArthur.

James H. continued as the skilled, successful blacksmith of Vinton County's judicial center for many years, was known for his great heart and strong and worthy manhood, and continued his activities at his trade until he retired in favor of his son, two years prior to his death, which occurred in February, 1910, his birth year having been 1834 and he having survived his venerable father by about four years. His son William was associated with him in the blacksmith business from youth and succeeded to the full control of the pioneer business in 1908.

William H. Arnold is thus the third of the name and of the third generation of the family to exemplify at McArthur the brawn and skill demanded in connection with the blacksmith trade, and he has in every sense upheld the prestige of the honored name which he bears. His mother, whose maiden name was Tryphenia Westcoat, was born in Elk Township, Vinton County, Ohio, about the year 1837, and she still maintains her home at McArthur, well preserved in physical and mental powers, and a loved pioneer woman of the county. She is a devout member of the Methodist Episcopal Church, which her husband attended and liberally supported, and the latter was a stalwart republican in his political proclivities. Of their children eight are still living and all are married and well established in life.

William Henry Arnold, father of the subject of this review, was a young man at the time of his marriage, in 1885, to Miss Emma Kennard, who was born at Locust Grove, Vinton County, on the 4th of October, 1862, a daughter of William J. and Martha (Culbertson) Kennard, both of whom were born and reared in Ohio, their marriage having been solemnized in Licking County. Mr. and Mrs. Kennard maintain their residence in McArthur and are well known and highly esteemed citizens who are now venerable in years, Mr. Kennard having long been a successful contractor and builder by vocation. He is a staunch republican in politics and has served in various local offices of public trust. Both he and his wife are zealous and influential members of the Methodist Episcopal Church at McArthur, and he has been one of its officers for many years, being at the present time a member of its board of trustees. William H. and Emma (Kennard) Arnold hold membership in the Methodist Church in their home city, as does also their daughter Linnie A., of this review, who is the elder of their two children. The younger of the children is James Frederick, who was born in the year 1890 and who now maintains his residence in the City of St. Paul, Minnesota. He was graduated from McArthur High School in 1908 and attended the Ohio Northern University, at Ada. He married Miss Charlotte Pond, of Clinton County, Ohio. Miss Linnie A. Arnold is not only a suc-

cessful teacher along academic lines but also serves as a teacher in the Sunday school of the Methodist Episcopal Church of McArthur.

GEORGE B. M. ANDRE, M. D. Engaged in the successful practice of his profession at Wheelersburg, Scioto County, Doctor Andre is numbered among the representative physicians of his native county and is a scion of a well known pioneer family of this section of the state. He was born on a farm near Powellsville, Scioto County, on what is locally designated as the French Grant, and in the same neighborhood were born and reared his parents, his father having been one of the substantial farmers and influential citizens of Scioto County at the time of his death and the mother still maintaining her home in this county. Of the ten children the following brief data may be consistently given: William V. is a successful farmer of Scioto County; Joseph C. is engaged in farming in Lawrence County; Doctor Andre, of this review, was the next in order of birth; Clarence L. is a substantial farmer of Scioto County; Carrie is the widow of William Hamerstein and still resides in this county; Andrew J. likewise is a progressive agriculturist of the old home county; Lillian is the wife of Luther Wheeler, likewise of Scioto County, her husband being a farmer and also operator of a saw mill and a threshing outfit; James C. is also to be designated as one of the effective exponents of the agricultural industry in his native county; Blanche C. is the wife of Thomas S. Collet and Bertha is the wife of William Emory, both of Scioto County.

Doctor Andre was reared under the sturdy discipline of the home farm and that he made good use of the advantages afforded him in the public schools of his native county is shown by the fact that at the age of twenty-one years he proved himself eligible for pedagogic honors and became a successful teacher in the schools of Scioto County. He was thus engaged for seven years, at the expiration of which he was able to follow out the course of his ambition and well formulated plans, by entering Miami Medical College, in the City of Cincinnati, in the year 1894. He completed the prescribed curriculum of this excellent institution, in which he was graduated as a member of the class of 1897 and from which he received his degree of Doctor of Medicine. He began the practice of his profession in the Village of South Webster, Scioto County; where he remained fifteen years, within which his practice became inclusive and representative throughout that part of the county and his earnest and effective work gave to him high standing among his confreres in this section of the state. In 1912 the doctor established his residence and professional headquarters at Wheelersburg, where he has fully maintained his success and popularity both as a physician and as

a citizen of progressiveness and sterling worth. Doctor Andre is actively identified with the Scioto County Medical Society and the Ohio State Medical Society; is affiliated with Western Sun Lodge, No. 91, Free and Accepted Masons; is a charter member of Wheelersburg Lodge of the Knights of Pythias; and in politics he is aligned as a loyal supporter of the principles and policies for which the democratic party stands sponsor.

On the 7th of November, 1901, was solemnized the marriage of Doctor Andre to Miss Alice Gifford, who likewise was born and reared in Scioto County. Of the five children all are living except the third, Alma May. The surviving children who form a bright coterie in the happy home circle are Edna M., Earl R., Ralph G. and George E.

JOHN L. SCHACHLEITER. Gastronomical facilities are a matter of deep concern to the average human being, and in every populous community there is imperative demand for restaurants that will accord effective service. In the City of Ironton, Lawrence County, such provision is most effectively made by the well equipped and popular restaurant and café conducted by Mr. Schachleiter at No. 13 North Third Street. Special interest attaches to this establishment, as it was founded, in the same location, nearly sixty years ago, by the honored father of the subject of this review, and during the long intervening years has been conducted under the family name, with a reputation that has at all times been of the highest, owing to the excellent standard that has marked the service of the restaurant in every particular and that has kept to the place a large and representative patronage.

John L. Schachleiter was born in Ironton on the 30th of July, 1873, and is a son of George W. and Mary (Delabar) Schachleiter, the former of whom was born in the City of Pittsburgh, Pennsylvania, in 1843, and the latter of whom was born at Baden, Germany, in 1840. Of the nine children seven are living, and those deceased were Marey C., the fourth in order of birth, and Roscoe J., the youngest of the number. Those surviving are: Fannie E., Frank G., William E., John L., Katherine C., Anna F., and Georgine M.

The late George W. Schachleiter was long one of the well known and highly honored citizens of Ironton, where his circle of friends was limited only by that of his acquaintances and where he was signally admired for his unbounded buoyancy of temperament and unfailing geniality. He was an enterprising business man and was influential in public affairs of a local order. This sterling pioneer business man came with his family to Ironton in 1866, in which year he established the restaurant now conducted by his son John L., the same being now one

age. He has been one of the popular and successful representatives of that line since he entered it. By close personal attention to the management of his interests, prompt service and courteous accommodations to his customers, he has won their good will and confidence to a remarkable degree, building up a steady trade which would be a credit to any establishment.

As one of the loyal workers in the Republican party for the last twenty-five years, Mr. Boettner is well known in its ranks in his locality. He was elected tax collector for the Third collection district of Allegany county in 1911 and 1912, and added new honors to his record by his efficient service in that capacity. Like his father Mr. Boettner is a member of the Reformed denomination, belonging to the Salem Church in Frostburg and serving on the church board. Fraternally he holds membership in the Jr. O. U. A. M., P. O. S. of A., K. of P., Mountain Lodge, No. 88, Mason; Mountain Lodge, No. 99, A. F. & A. M.

On August 5, 1895, Mr. Boettner married Miss Christina Wenk, of Frostburg, and to them have been born five children: Frederick W., tonic manufacturer, Frostburg, Maryland; Harry J.; Helen M.; Roy K., and Thelma E. died in childhood.

SAMUEL A. BOUCHER, M. D., of Barton, Allegany county, has had a notably successful professional career, throughout which his interests have been centered at his present location. He is a native of Allegany county, and a credit to his birthplace, for he pursued his education and entered his useful calling in response to the impulses of an ambitious nature, which has manifested itself in all the activities of his life. In short, he has done well as a physician and surgeon, has lived up to all his domestic, social and civic obligations, and enjoys a reputation which would reward any man for years of unselfish work.

Dr. Boucher was born on a farm near Grantsville, in what was then Allegany (now Garrett) county, Maryland, son of Isaiah Boucher and grandson of Henry Boucher. His great-grandfather Boucher was a native of France, and settled in Pennsylvania after his emigration to America. Henry Boucher, the Doctor's grandfather, was born in Somerset county, Pennsylvania, and his father, Isaiah Boucher, farmed for many years in what is now Garrett county, Maryland, which was formed from Allegany county. He married Lucretia Compton and had a family of five children: Henry Stewart, now a resident of Rockwood, Pennsylvania, Phineas C., who lives on the old homestead in Garrett county, Maryland; Samuel A.; Dr. Charles W., a dentist, located at New Kensington, Pennsylvania; and Arthur, who is engaged in farming near Barton, Allegany county, Maryland. The father of this family was a member of the German Reformed Church, and a Republican in his political opinions.

Samuel A. Boucher was reared on the farm. In his boyhood he had the ordinary advantages afforded by the public schools in the home locality, and later attended Western Maryland College, at Westminster, Maryland, for one year. His practical training was entirely in agricultural lines, which he continued to follow up to the age of twenty-three years, in 1884 entering the College of Physicians and Surgeons, in Baltimore, from which institution he was graduated with the class of 1887. Within a short time thereafter he established himself in practice at Barton, where he has been busily engaged for over thirty-six years in general professional work, being now one of the oldest active practitioners, in point of experience, in Allegany county. He is allied with the various standard associa-

tions, being a member of the Allegany County Medical Society, the Medical society of Georges Creek, the Medico-Chirurgical Faculty of Maryland and the American Medical Association. Politically he is identified with the Republicans and a stanch supporter of the party, though he is not an aspirant for office, limiting his active participation in public affairs to seeing that good men get into office. Fraternally he is a Mason, belonging to Allegany Lodge, No. 157, A. F. & A. M., of Barton, Maryland, and to Garfield Chapter, No. 30, R. A. M., of Lonaconing; Antioch K. T., No. 6, Boumi Temple, Mystic Shrine.

On October 1, 1901, Dr. Boucher married Miss Lulu W. Wilson, daughter of Rev. Joseph and Angenetta (Price) Wilson, her father for many years a minister of the Presbyterian Church; he died of scarlet fever at Millville, New Jersey. His brother, the late John Wilson, of Baltimore, Maryland, was a prominent coal dealer. Dr. and Mrs. Boucher have no children.

On February 2nd, 1917, he sustained the total loss of his home in fire that destroyed Barton.

PROF. ORBLE BROOKS BOUGHTON, principal of the Pennsylvania Avenue Junior High School of Cumberland, is one of the earnest, dependable and popular educators of Allegany county, and a man who has made his own way in life, and acquired his educational training largely through his own efforts. A man of ripened experience, he has brought his knowledge of men and books to his present work to such an extent that his pupils bear the stamp of his forceful personality, and go out into the world commensurately fitted for the life before them.

Professor Boughton was born at Frostburg, Allegany county, Maryland, April 13, 1876, a son of William G. and Sarah E. (Parker) Boughton. By trade William G. Boughton is a carriage builder, and he and his wife have three children: Orble Brooks, who is the eldest; William Howard, who is a resident of Cleveland, Ohio; and Ella Robelia, who is also a resident of Cleveland. The Boughton family is of French origin, three brothers, Joshua, John and Thomas, having come to America from France, and settled in the Virginia colony prior to the American Revolution. Joshua Boughton, a lineal descendant of the aforenamed Joshua, was the father of four sons—Reuben, John, Thomas and Brooks Boughton. The last-named son, Brooks Boughton, was the grandfather of Professor Boughton, and he was born December 24, 1803. His only son, William George Boughton, born April 19, 1850, at Stock Hill Farm, adjoining the ancestral home on the Rappahannock River, Essex county, Virginia, is the father of Professor Boughton.

Through his mother, Professor Boughton traces his ancestry to several other old families of the country. She is the daughter of William H. Parker, who, in the early days, drove an old-fashioned stage coach over the old National Turnpike, carrying the United States mail from Cumberland, Maryland, over the Allegany mountains to Uniontown, Pennsylvania. William H. Parker married Miss Rebecca Humbertson, of Lord, Allegany county, Maryland, who was the daughter of William and Sarah (Loar) Humbertson, the latter being a daughter of Sarah (Eckhart) Loar, after whose father the town of Eckhart was named. Miss Rebecca Humbertson also was a sister of the late Thomas Humbertson, of Frostburg, Maryland, who lived to be 100 years of age, a sketch of whom appears elsewhere in this work.

Growing up at Frostburg, Professor Boughton while a lad attended the public school of his native city, and pursued
